

MASSBACH MESA GOLDENDOODLES & BERNEDOODLES

Congratulations on your new furry family member!

We breed with the love of the doodle in mind. Every effort has been made to produce a litter both physically and mentally sound, however you must accept full responsibility for proper care of this puppy once he/she leaves my home.

I do not, and cannot guarantee color, size, adult temperament, coat type, amount of low-shedding to no shedding your dog will be blessed with. I make an educated estimate by knowing the qualities of the parents, grandparents and previous litters.

Your puppy has had a veterinarian check-up on _____ and has been deemed 100% healthy by my veterinarian.

Your puppy is coming to you with dewclaws removed, 4th de-worming and _____ vaccines accomplished. You are to bring your puppy to the veterinarian of your choice to finish his/her vaccine schedule to prevent serious illnesses, to agree with keeping your dog at a healthy weight and to provide basic obedience training.

If your puppy was purchased with "limited" CKC registration, the buyer agrees to spay/neuter this puppy before 9 months old, before any heat cycles, or breedings could occur. If this puppy was purchased with "open" CKC registration, and BREEDING RIGHTS, it has been discussed with, and agreed upon by myself (the breeder/litter owner) for an ADDITIONAL FEE set by myself. For "limited" registration: Buyer will receive the CKC registration papers when proof of spay/ neuter is sent to me by a Veterinarian.

A \$200 non-refundable deposit will hold a puppy of your litter choice / list placement until final payment is made. The cost of standard to medium sized puppy is \$2300.00 plus sales tax. The cost of a miniature sized puppy is \$2600 plus sales tax. The cost of a bi-colored Bernedoodle puppy is \$3000 plus tax. The cost of a tri-colored Bernedoodle is \$3500. If your puppy is to be shipped, an additional \$200-\$300 is due along with final payment depending on the size of the puppy when he/she is shipped.
